****Please note the time and entry location****
***MEMBERS ARE INVITED TO BRING GUESTS TO THIS
EVENT***

About Pot Night: “Pot Night” is an SFCC tradition. It is a chance for members to meet and socialize and to show recent acquisitions or pieces of special interest from their collections. It is also an opportunity to bring along ceramic objects requiring help in attribution or about which you have questions relating to their dating or use.

All members are encouraged to attend and bring pieces for display. As last year, we have arranged to hold the pot night in the Legion Cafe and a selection of nibbles and liquid refreshment (non- alcoholic) will be served. Tables will be set up in the Cafe for displaying objects and labels provided for object information. (Please print in block capitals). The display will run from 7:00 P.M. to 8:45 P.M. To assist anyone needing help in identifying an object or completing a label we will have a table staffed by experienced members. This will operate from 7:00 PM – 7:30 PM. Again this year we will have a small selection of ceramic objects for members to test their general knowledge and identification skills. An answer sheet will be provided for those wishing to score themselves.

From 8:00 P.M. to around 8:15 P.M. we will conduct the annual business meeting and election of board members for our 2013/2014 fiscal year.

Some objects of special interest will be selected from among those brought in by their owners for discussion. Discussion of selected objects will start at 8:15 P.M. and finish at 8:45 P.M. Attendees will have an opportunity to ask questions about the objects of a general nature.

SFCC / FAMSF NEWS:

Seymour Jurow: We were saddened to learn of the death on Friday June 28 of Dr. Seymour Jurow. Seymour was among the early members of the SFCC, collected English blue transferwares, salt glazed stonewares and jelly molds (and recipes for their use). He served on the board and was a very active member until illness restricted his ability to attend meetings. Members may recall that several objects he donated to the museum were displayed in the special exhibit put on by Maria Santangelo for the 2012 seminar. The SFCC extends its sympathy to his family and friends.

Library: The library which has been closed temporarily to the SFCC and to the museum docents is once again available. The SFCC will resume first Sunday openings on July 7, 2013
